2023 US Dressage Finals Eligibility

The US Dressage Finals is an Invitational competition using the USEF/USDF Regional Championship program to qualify. Qualifying takes place at each of the nine Great American/USDF Regional Dressage Championships, based on either 1) Ranking in a Regional Championship Class or 2) Wild Card Eligibility. Either must be achieved at a Regional Championship in a class and eligible division offered at the US Dressage Finals.

I. Qualification Based on Ranking in a Regional Championship Class:

Champion and Reserve Champion horse/rider combinations for each level and eligible division from each of the nine Regional Championships will be automatically invited, provided the following three requirements are met: US Citizenship; Declaration of Intent completed by the deadline; and earning an eligible ranking in a Regional Championship class.

Note: Beginning in 2023, Freestyle classes at Regional Championships will have two different classes per level, Open/Junior/Young Rider and Adult Amateur. The top two declared horse/rider combinations from the Open/Jr/YR Freestyle class and the top two declared Adult Amateur horse/rider combinations from the AA Freestyle class for each level from each of the nine Regional Championships will be automatically invited.

To be eligible for the Adult Amateur division in the Freestyles at the US Dressage Finals, competitors must check the AA box on the Regional Championship entry form and must provide proof of Adult Amateur status prior to competing in their Regional Championship classes.

- A. **United States Citizenship Requirement:** To compete in any US Dressage Finals class, the rider must be a US citizen.
- B. **Declaration Requirement:** The horse/rider combination must declare their intention to participate **by completing the Declaration of Intent form by midnight on the day prior to the first day of their Regional Championship competition (including any open class day before the start of championship classes)**. There is no fee to declare, but horse/rider combinations must declare at the level(s) and eligible division(s) they intend to compete in at the US Dressage Finals. Go to www.usdressagefinals.com to declare.
- C. **Ranking in a Regional Championship Class:** Eligibility to enter US Dressage Finals classes is based on a horse/rider combination's ranking in a Regional Championship class. Champions and Reserve Champions in eligible classes will be automatically invited, as long as they have declared by the deadline. *Note: In order to be named Champion and Reserve Champion in a Regional Championship class, a horse/rider combination must have achieved a score of 57% or higher.*

In the event that the Champion and/or Reserve Champion declines the invitation, or are ineligible to compete in the US Dressage Finals, the horse/rider combination that has the next highest ranking in the class will be eligible, providing they:

1. Are a US citizen.
2. Completed the Declaration of Intent for that particular level and division by the deadline.
3. Achieved the pre-requisite score of 57% or higher.

If that combination declines, the same process will be followed down through the fifth ranked declared horse/rider combination for that Finals level and division.

No notifications will be issued beyond the fifth ranked, of declared horse/rider combination except as may be eligible through the Wild Card invitations described below.

II. Qualification Based on Wild Card Eligibility:

Horse/rider combinations who are not otherwise qualified to compete in the US Dressage Finals based on their Regional Championship ranking (see above) may be invited to participate in a Finals class by earning a Wild Card score achieved at one of the nine Regional Championships, provided the following two requirements are met: US Citizenship and earning an eligible Wild Card score in a Regional Championship class.

- 1) **United States Citizenship Requirement:** To compete in any US Dressage Finals class, the rider must be a US citizen.
- 2) **Eligible Wild Card Score:** Eligibility to enter US Dressage Finals classes is based on a Wild Card score earned in a Regional Championship class. For all levels and divisions from Training through Grand Prix, a horse/rider combination that competes in a Regional Championship class and achieves a score at or above the score listed below for that level and division may compete in the **same** level and division at the US Dressage Finals.

Note: Horse/rider combinations are not required to have filed a "Declaration of Intent" in order to receive a Wild Card invitation.

III. Invitations:

Invitations and notifications will be emailed to eligible/qualified horse/rider combinations immediately after each Regional Championship. There will be three categories of emails:

- 1) Invitation emails will be sent to the top two of the top five declared horse/rider combinations.
- 2) Invitation emails will be sent to combinations eligible for a Wild Card.
- 3) Notification emails will be sent to the third to fifth declared horse/rider combinations, notifying them that they are on the reserve/alternate list and reminding them to check the website for any status changes that would make them eligible for an invitation.

In the event that an invited horse/rider combination scratches, invitations may be issued up to the start of the competition.

Note: Competitors do not need to receive an actual invitation to nominate themselves for the US Dressage Finals. The entry system will have their eligibility status and they can nominate prior to receiving an email invitation.

IV. Nomination Requirement:

Nomination, including payment of the nomination fee, is **required** for participation in US Dressage Finals classes, **whether qualifying through ranking in a Regional Championship class or by Wild Card Eligibility**. The nomination deadline is midnight, 96 hours after the last championship day in the regional championship show in which the horse/rider combination competed. Each US Dressage Finals horse/rider combination is required to complete the nomination (preliminary entry) process including the horse/rider combinations on the reserve/alternate list. The Nomination fee paid will be applied to the total amount due at Closing Date.

V. Entry Requirements

Completed entries for the US Dressage Finals **must be received** by the closing date, October 16, 2023 midnight Eastern Time. Priority for all stabling requests (including stabling in Alltech Barns and for double stalls) will be based on the date of receipt of the COMPLETE online entry. Each online entry must include the following: full payment, fully signed 2023 US Dressage Finals entry form and signed USEF Waiver, current negative Coggins test and current Flu/Rhino Vaccine Record. All documents must be uploaded when you receive your online entry confirmation from Horseshowoffice.com, that is emailed immediately to you after you enter online. The last factor in determining stabling priority will be the allotted number of Alltech stalls available per region.

For a business or farm to be the valid owner under this requirement, it must be listed as an owner with both USEF and USDF.
8. Whips may not be carried in championship tests (Exception: Competitors in possession of a Federation Dispensation Certificate or Presidential Modification letter. Competitors riding sidesaddle may carry a whip no longer than 47.2 inches (120 cm), including lash, in USEF/USDF Championships.) An adjustable-length whip may not be carried by a mounted rider.

Further, any horse entered in the Finals competition, even entered at two levels, must be ridden by the same rider throughout the competition. (USEF DR127.6) (NOTE: This applies throughout the entire competition, even after a horse has completed its championship classes.)
11. In the event of a tie (equality of total points) for champion and/or reserve champion in USEF/USDF championship classes, the collective marks will determine first, second, and/or third or all three places; (i.e., when a tie for first place is broken by collective marks, tied competitors will receive first and second places, etc.). If collective marks are equal, the tie will remain unbroken (i.e., two first places will be awarded next third place, etc.). (USEF DR123.6) If the highest placed horse/rider combination receives less than the minimum percentage, no Championship awards or prize money will be issued, however an awards ceremony will be held for the entire class.
14. In USEF/USDF championship classes, a steward will be appointed to check the saddlery, bits, and spurs, on both sides of each horse immediately after it has completed its test and has left the arena. The Technical Delegate may follow the competitor to a designated area if necessary. Any discrepancy to the saddlery rules will result in immediate elimination. (USEF DR126.1.i.1)

**This
competition

by USDF
for 2024**

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan[®]/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan[®]/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan[®]/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.
