

Regions Cup Competition

The 2024 US Dressage Finals hosts the Annual LeMieux/US Dressage Finals Regions Cup Team competition! There is one regional team per USDF region which consists of four athlete/horse combinations. The top scoring eligible athlete/horse combination from the Training/First Level and the FEI Level Regional Championships classes, the highest scoring eligible adult amateur athlete/horse combination from the Second through Fourth Level Regional Championship classes, and the highest scoring eligible junior/young rider athlete/horse combination from the Training through Fourth Level Regional Championship classes from each region will make up a team. Reserve athlete/horse combinations will be substituted only once the athlete/horse combination they would be replacing has withdrawn from the finals class(es). The winning team is determined by averaging the highest final scores achieved by each athlete/horse combination in their US Dressage Finals class. Those athlete/horse combinations which are participating in the 2024 Regions Cup Competition are as follows:
